

RECIPES FOR A PEACEFUL CULTURE #3 - PEACE PILGRIMAGE

Requires any 2 groups, 2-3 discussion questions, markers, chart paper or white board.

1. The Group 1 gathers at Group 1's space. Organizer says a few words about their inspiration for hosting the event. Read the discussion questions aloud. Invite your group to walk with these questions in mind. At the same time Group 2 meets and is given the opportunity to contemplate the discussion questions before Group 1 arrives.
2. Group 1 walks to Group 2's space. In silence or not, you decide!
3. Group 2 welcomes Group 1 at agreed upon time. Be sure to allow enough time for your slowest walkers. You may wish to walk with symbols or gestures of peace, flags, candles, etc.
4. Both groups may choose to share opening words, prayers, or wishes. If groups are sharing in different languages, you may wish to provide translations.
5. Break up into small discussion groups, mixing members of Group 1 with Group 2.
6. After 15-20 minutes, invite groups to report. Offer 10 minutes of open group discussion.
7. Make plans for Group 2 to visit Group 1 another day with new questions. Repeat as desired!
8. Share results photos of your walk and/or discussion with peacequest.ca. Be sure everyone in the photo is OK with having their picture shared. We will add your event to our growing database of events across Canada!
